

Plan to Attend the July Workshop!

SUNDAY, July 13, 2014

#2360 Oliver Road

Starting at 1 p.m.

- Build your own hive stand/rest *
Leaders: Kirsten & Jim Spence
[cost: \$25 & pre-registration required]
- Queen marking (using drones)
- Using the TBBA vaporizer for mineral oil treatment
- Treating for mites
- Hygienic testing
- *A Pot-luck supper! Bring your biodegradable or reusable plates, utensils & cup AND your favourite main course, salad or dessert and join us for a great social time! (Coffee provided)*

Bring your:

- *Protective gear (including acid-proof gloves & mask, if you wish to handle the vaporizer)*
- *Water to keep you hydrated!*
- *Tools IF you are making a stand -- multidriver (screwdriver), vice grips & crescent wrench)*
- *Lawn chair (for the pot-luck supper)*

RSVP by July 4th -- beekeepers@tbaytel.net

*Will run concurrently with another activity. If you want to make a hive stand, please let us know when you RSVP which other activity you will NOT wish to participate in. As well, please note that if we buy the supplies and you don't show... we will bill you to recoup costs.

Many thanks to our hosts Rudy and Lois Kuchta!
